Dear Wintersport Fans,

Welcome to the Annaberg ski-lifts.

Enjoy our perfectly prepared pistes for all levels of ability with a total of nine lifts. In "Anna-Land" the magic carpet, rope lift, the mysterious Anna-Wald forest and our colourful hut for a break from skiing ensure fun, games and an atmosphere suitable for children. Beginners value the gentle slopes in the flat area around the Reidi ski-lift, while experienced skiers can test themselves in the "Anna-Park", where a permanent skicross/boardercross course, rails, boxes and small ramps await, or leave their tracks on the challenging FIS-certified slopes. A perfect day of skiing naturally also includes a stop at the rustic huts, including probably the best of all: the Anna-Alm on the Hennekock, which features a fantastic panoramic view of the surrounding mountains and valleys of the Alpine foothills.

I wish you an enjoyable and unforgettable day of skiing and snowboarding!

Yours,
Karl Weber

I will be happy to hear your ideas and suggestions at any time: gf@annabergerlift.at

EXPERT INTERMEDIATE BEGINNER

ANNA-PARK & ANNA-LAND

The **Anna-Park** entices the more daring wintersport fans with its cool range of activities. Oobstacles, kickers, a mogul run and steep turns – an ideal beginners' track for future freestyle skiers – along with a permanent skier and boarder cross track.

Anna-Land, the paradise for children on the Annaberg, is filled with laughter and skiing is learned in an entirely playful context. The mysterious Anna-Wald forest and a colourful break room ensure fun, games and an atmosphere suitable for children.

SKI TOURING EVENING

Every Thursday, slopes 1a, 1b and 3 are open as a ski route from 5:00 pm to 8:30 pm! The **Anna-Alm** is also open until 8:00 pm on Thursdays.

HORSE-DRAWN SLEIGH RIDING & MAKING YOUR OWN TRACKS

Annaberg also offers activities other than the pistes. The fairytale winter landscape with its view of the Ötscher allows you to enjoy yourself with action, romance and comfort: cross-country skiing, ski touring and Austrian curling. Romantics can treat themselves to a horse-drawn sleigh ride or a leisurely snowshoe hike through the magical sparkling world. After a full day in the snow you can meet friends in the rustic huts.

3 MOUNTAINS - 1 PRICE

One ski pass - three wonderful ski resorts - and only a few kilometres between them: the **Annaberg** is for families, the Mitterbacher **Gemeindealpe** for sports enthusiasts and the **Mariazell Bürgeralpe** for traditionalists.
